THOMSON CUTS EARNINGS FORECAST; DEMAND FOR TVs SLOWS.

Thomson SA, the biggest seller of televisions in the U.S., cut its earnings forecast on June 13, blaming deteriorating demand for its TVs and increasing competition from China. Paris-based Thomson said first-half operating profit will be as low as Euro 140 million (USD165 million), down from a forecast of more than Euro 200 million. The 2003 operating margin, or profit before interest and tax as a%age of sales, may be 6.5%, one percentage point lower than an April prediction, Chief Executive Officer Charles Dehelly said.

Thomson, which makes TVs under the RCA brand, is cutting 1,200 jobs in the U.S. partly by closing two **tube**-production lines in Indiana to save about Euro 50 million a year. More than half of Thomson's 2002 sales of Euro 10.2 billion came from the U.S., compared with 30% for rival Royal Philips Electronics NV.

Thomson, which sells products in more than 100 countries, produces 45% of its **tubes** in the U.S. Demand for its TVs has contracted by a quarter due to the availability of imported televisions, not imported **tubes**, Julian Waldron, chief financial officer, said on a conference call with analysts. "There's been a significant volume decline and price declines on top of that," Waldron said. "There's been a fairly brutal downshift."

Thomson sells its television components to local manufacturers in the U.S. Those manufacturers are seeing their market share reduced as Chinese-based companies are shipping in cheaper TVs, meaning less demand locally for **tubes**, Thomson spokesman Stephane Rougeot said. Thomson's RCA brand has a 15% shares of the U.S. TV market, and a 40% share of the **tube** market for TVs larger than 19 inches.

The French company is expanding in China to increase access to the world's largest and fastest-growing TV manufacturing market. It agreed in April to supply about 2 million **tubes** to the Sichuan Changhong Electric Co., China's biggest maker of televisions, and a second **tube** line will open in Foshan, in southeast China in the third quarter.

Jack:

No, your assumption is not correct. Over the past 12 months Thomson has attempted to meet the target pricing established by Samsung, and will continue to respond to this customers requests. Certainly Thomson has demonstrated the Thomson commitment to rebuilding the business relationship with the change in Account Management and also the visit of Mr. Lissorgues to Samsung.

As you know from previous email announcements authored by me, all pricing deviations outside of the MYF pricing must be submitted to Mr. Lissorgues, and approved by both Messrs. Lissorgues and Lecoq. The decision regarding pricing deviations beyond the MYF pricing was made at levels above Mr. Lissorgues and myself; thus, we must follow our Managements direction with regard to approval of all pricing deviations.

Mr. Lissorgues is in China, without a telephone. He is scheduled back in the Boulogne office on Friday. Mr. Lissorgues is aware of your Samsung email sent June 6, and has committed to discussing multiple subjects with me on 13 June (his arrival back in the office). He is also copied on this email so that he is aware of what I am proposing to you in the short term. I do know that Mr. Lissorgues is attempting to read his email while in China.

I recall a telephone conversation between you and I on the subject of Samsung. I think this call took place on Friday, 6 June. From my memory, and with your 6 June email, I have constructed a single page chart that attempts to respond where possible.

Review the chart. I have shown the MYF pricing on each size, so the parameters are clearly identified to you. I cannot respond to the W76TF and the A68TF without specific approvals from Management. Bottom line is that you can discuss curved 25, 27, and 32's, along with the 32TF. You will have to negotiate some additional time to respond to the A68TF and W76TF.

If you have questions, you can telephone me in the Indianapolis office until around 6pm, or my mobile.

Given that I have a dinner meeting this evening with Fred Lee in which he was expecting a price response from Thomson, am I to assume that we are not interested?

INTRODUCTION

In this Annual Report on Form 20-F, the terms the "Company", the "Group", "Thomson", "we" and "our" mean THOMSON (formerly THOMSON multimedia S.A.) together with its consolidated subsidiaries.

FORWARD-LOOKING STATEMENTS

In order to utilize the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995, we are providing the following cautionary statement. This Annual Report contains certain forward-looking statements with respect to our financial condition, results of operations and business and certain of our plans and objectives. These statements are based on management's current expectations and beliefs in light of the information currently available and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. In addition to statements that are forward-looking by reason of context, other forward-looking statements may be identified by use of the terms "may", "will", "should", "expects", "plans", "intends", "anticipates", "believes", "estimates", "projects", "predicts" and "continue" and similar expressions identify forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that are anticipated to occur in the future. Such statements are also subject to assumptions concerning, among other things: our anticipated business strategies; our intention to introduce new products; anticipated trends in our business; and our ability to continue to control costs and maintain quality. We caution that these statements may, and often do, vary from actual results and the differences between these statements and actual results can be material. Some of the factors that could cause actual results and events to differ materially from those expressed or implied in any forward-looking statements are:

- our ability to design, develop and sell innovative products and services, which are offered in highly competitive markets characterized by rapid technology changes and subjective and changing consumer preferences;
- economic conditions, including consumer spending, in countries in which our hardware devices and services are sold or patents licensed, particularly in the United States, Europe, Asia and, through TTE, our joint venture with TCL International, in the process of being formed, and certain other partnerships and joint ventures that we may not control;
- our ability to protect our patents and other intellectual property rights and the outcome of any claims against us for the alleged infringement of third parties' intellectual property rights;
- general economic trends, changes in raw materials and employee costs and political and social uncertainty in markets where we manufacture goods, purchase components and finished goods and license patents, particularly in Latin America and Asia;
- increased competition in video technologies, components, systems and services and finished products and services sold to consumers and professionals in the entertainment and media industries;
- force majeure risks, especially related to our just-in-time inventory, supply, and distribution policy;
- challenges inherent in our repositioning strategy, as detailed in Item 4: "Information on the Company—History and Development of the Company";
- the consummation and success of TTE, which is in the process of being formed, and the success of certain other partnerships and joint ventures that we may not control, as well as future business acquisitions, combinations or dispositions;
- technological advancements in the entertainment and media industries;

- changes in exchange rates, notably between the euro and the U.S. dollar, Japanese yen, Chinese yuan, Canadian dollar, Mexican peso and Polish zloty and the British pound;
- warranty claims, product recalls or litigation that exceed or are not covered by our available insurance coverage;
- our failure to maintain over the long term contractual arrangements with our customers, or material adverse changes in the financial condition or creditworthiness of our key customers and clients; and
- capital and financial market conditions, prevailing interest rates and availability of financing.

Furthermore, a review of the reasons why actual results and developments may differ materially from the expectations disclosed or implied within forward-looking statements can be found under "Risk Factors" below. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to publicly update any of them in light of new information or future events. We advise you to consult any documents we may file or furnish with the U.S. Securities and Exchange Commission ("SEC"), as described under "Documents on Display".

STATEMENTS REGARDING COMPETITIVE POSITION

This Annual Report contains statements regarding our market share, market position and products and businesses. Unless otherwise noted herein, market estimates are based on the following outside sources, in some cases in combination with internal estimates:

- *Understanding & Solutions* for information on CD and DVD (Digital Media Solutions);
- *Gesellschaft für Konsumer Markt- und Absatzforschung* ("GfK") for information on TV, VCR, DVD and audio in the "Europe 5" market which comprises France, Germany, the United Kingdom, Italy and Spain (Consumer Products); and
- *SYNOVATE* (formerly *Institute for Market Research*) for information on TV, VCR, DVD, audio and telephony in the Americas (Consumer Products); and
- *Kinetic Strategies and Cable Datacom News* for information on cable modems (Consumer Products)

Statements contained in this Annual Report that make reference to "value market share" or market share "based on value" mean that the related market estimate is based on sales, and statements referring to "volume market share" or market share "based on volume" mean that the related market estimate is based on the number of units sold.

Market share and market position statements are generally based on sources published in the fourth quarter of 2003 or beginning 2004. Statements concerning our Technicolor businesses are based on a combination of internal estimates and external sources published mid to late 2003.

REPORTING CURRENCY

Our consolidated financial statements that form part of this Annual Report on Form 20-F are presented in euro. Effective January 1, 2001, our consolidated financial statements are presented using the euro as our reporting currency.

For your convenience, this Annual Report contains translations of certain euro amounts into U.S. dollars. Unless otherwise indicated, dollar amounts have been translated from euro at the rate of €1.00 = U.S.\$1.2102, the noon buying rate in New York City for cable transfers in euro as announced by the Federal Reserve Bank of New York for customs purposes (the "Noon Buying Rate") on May 26, 2004.

For informational purposes, the Noon Buying Rate on June 28, 2004 is €1.00 = U.S. \$1.2193.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

All amounts indicated in the tables are expressed in millions of euro, unless otherwise stated

1. THE GROUP AND SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Thomson provides a wide range of video (and enabling) technologies, systems, finished products and services to customers and professionals in the entertainment and media industries. To advance and enable the digital media transition, Thomson has four principal activities: Content & Networks, Components, Consumer Products and Licensing. Thomson distributes its products under the THOMSON®, RCA®, TECHNICOLOR® and Grass Valley® brand names.

In these financial statements, the terms "Thomson group" (formerly the Thomson multimedia group), "the Group" and "Thomson" mean Thomson S.A. together with its consolidated subsidiaries. Thomson S.A. refers to the Thomson group parent company (formerly Thomson multimedia S.A.).

The consolidated financial statements of Thomson have been prepared in accordance with French generally accepted accounting principles ("French GAAP") as set forth in the French law on consolidation (the Act of January 3, 1985) and within Regulation 99-02, approved by the decree dated June 22, 1999 of the *Comité de la Réglementation Comptable (CRC)*.

Financial statements of consolidated subsidiaries, when prepared in accordance with the accounting principles generally accepted in their country of origin, have been adjusted accordingly in consolidation. All figures are presented in millions of euro unless otherwise stated.

Cash Flow presentation: In 2002, Thomson elected to present the breakdown of its "cash flow from operating activities" using the reconciliation from "*operating income*" according to the method permitted by regulation 99-02, instead of the reconciliation from "net income". Under this new method, operating income instead of net income is reconciled to the cash provided by operating activities. Thomson believes that such a change provides more useful information to the users of its financial statements. Also, "*others*" includes interest, non-current items and income tax, which are determined using the direct method (i.e., the net cash paid or received). 2001 amounts have been restated, but as the definition of "*net cash provided by operating activities*" is unchanged, the amounts for this and other sub-totals related to 2001 are the same as previously reported.

Reclassification in the presentation of income statements: In 2001, the Emerging Issues Task Force (EITF) issued EITF 01-09, "Accounting for Consideration Given by a Vendor to a Customer or a Reseller of the Vendor's Products", which codified and reconciled EITF Issue 00-14, "Accounting for Certain Sales Incentives", EITF 00-22 "Accounting for Points and Certain Other Time-Based or Volume Based Sales Incentives Offers, and Offers for Free Products or Services to Be Delivered in the Future" and EITF 00-25, "Vendor Income Statement Characterization of Consideration Paid to a Reseller of the Vendor's Products". These EITFs prescribe guidance regarding the timing of recognition and income statement classification of costs incurred for certain sales incentive programs to resellers and end consumers. The effect of this pronouncement (which was effective for users for 2002) on Thomson's financial statements was to decrease "*net sales*" of the Consumer Products segment by €84 million and €103 million, respectively, for the years ended December 2002 and 2001, with a symmetrical reduction in "*selling, general and administrative expenses*" for some cooperative advertising and promotion expenses previously classified under marketing expenses. Consequently, there is no impact on operating profit. Thomson elected to apply this rule, which is not specifically addressed under French GAAP, in order to limit the differences with the financial statements filed with the U.S. SEC. Thomson's financial statements for 2001 have been restated accordingly.

The accompanying notes are an integral part of the consolidated financial statements.

SCHEDULE 13D
AMENDMENT NO. 1

The following information updates and revises the material contained in the original Schedule 13D report, filed April 23, 1998 (the "Original 13D") by THOMSON multimedia S.A., a French societe anonyme (the "Company"), relating to the voting Ordinary Shares, par value \$.01 per share (the "Ordinary Shares"), of Gemstar International Group Limited, a British Virgin Islands corporation ("Gemstar").

Item 1. Security and Issuer.

This Schedule 13D relates to the Ordinary Shares of Gemstar, with principal executive offices located at 135 North Los Robles Avenue, Suite 800, Pasadena, California 91101.

Item 2. Identity and Background.

This Schedule 13D is being filed jointly by the Company and Thomson S.A., a French societe anonyme. The Company's principal business involves the manufacture and distribution of consumer electronics products. The Company is organized under the laws of France and has its principal executive offices at 46 Quai A. Le Gallo, 92100 Boulogne, France. The Company is a wholly-owned subsidiary of Thomson S.A.

Thomson S.A.'s principal executive offices are at 173 Boulevard Haussmann 75008 Paris, France. Thomson S.A. principally acts as a holding company for the French government. All of the outstanding shares of Thomson S.A. are owned by the French government.

Schedules A, B, C and D respectively, attached hereto and incorporated herein by reference, set forth the name, business address, present principal occupation or employment of the executive officers and directors of the Company and Thomson S.A. and the name, principal business and address of any company or organization in which such employment is carried on, and the citizenship of each director, executive officer and controlling person of the Company and Thomson S.A.

During the last five years, none of the Company, Thomson S.A. or any of the persons named on the attached Schedules A, B, C or D has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which any such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Sources and Amount of Funds or Other Consideration.

2,020,666 Ordinary Shares were acquired by the Company as a result of the merger of Starsight Telecast, Inc. ("Starsight"), in which the Company held shares, with a subsidiary of Gemstar on May 8, 1997 (the "Merger"). At the time of the Merger, the Company also held two warrants to purchase Starsight shares which were converted into warrants to purchase Ordinary Shares as a result of the Merger. Each warrant entitled the Company to purchase an additional 606,200 Ordinary Shares, the first at a purchase price of \$12.30 per share and the second at a purchase price of \$16.50 per share.

On February 12, 1998, the Company purchased 600,000 Ordinary Shares from Viacom International Inc. ("Viacom") at an aggregate price of \$19,200,000 (equal to \$32.00 per Ordinary Share) pursuant to a Letter Agreement dated February 7, 1998, between the Company and Viacom (the "Letter Agreement"). The purchase was consummated using the Company's general corporate funds.

Item 4. Purposes of Transaction.

The shares reported were acquired in connection with the Merger and the transaction described in Item 3 and are held for investment purposes.

On October 4, 1999, Gemstar, TV Guide, Inc., a Delaware corporation ("TV Guide"), and G Acquisition Subsidiary Corp., a Delaware corporation

("Sub"), entered into an Agreement and Plan of Merger (the "Merger Agreement"), pursuant to which upon consummation of the transactions contemplated therein, TV Guide will become a wholly owned subsidiary of Gemstar. Concurrently with the execution of the Merger Agreement, the Company entered into an agreement (the "Voting Agreement") pursuant to which the Company agreed to vote its shares in favor of the transactions contemplated by the Merger Agreement (including the issuance of Gemstar's Ordinary Shares in connection with the Merger and the redomestication of Gemstar from the British Virgin Islands to the State of Delaware) and against any inconsistent proposals or transactions. In addition, the Company granted an irrevocable proxy to certain officers of TV Guide and appointed such officers as its attorney-in-fact to vote all the shares beneficially owned by the Company in accordance with the provisions of the Voting Agreement. The Voting Agreement is attached hereto as Exhibit 99.1.

Although the Company may, from time to time, purchase and sell Ordinary Shares in public or private transactions, other than as described above and as contemplated by the Voting Agreement, neither the Company or Thomson S.A. has present plans or proposals which may relate to or would result in (a) the acquisition or disposition of additional securities of Gemstar; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Gemstar or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of Gemstar or any of its subsidiaries; (d) any change in the present Board of Directors or management of Gemstar, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board; (e) any material change in the present capitalization or dividend policy of Gemstar; (f) any other material change in Gemstar's business or corporate

structure; (g) changes in Gemstar's charter, by-laws or instruments corresponding thereto or other actions which may impede the acquisition of control of Gemstar by any person; (h) causing a class of securities of Gemstar to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of Gemstar becoming eligible for termination of a registration pursuant to section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

The Company beneficially owns 12,307,464 Ordinary Shares, which represent approximately 6.1% of the Ordinary Shares of Gemstar outstanding on September 30, 1999, as reported on Gemstar's Form 10-Q report for the quarter ended as of September 30, 1999, with this number of Ordinary Shares outstanding adjusted for Gemstar's two-for-one stock split paid in December 1999. On January 30, 1998, the Company agreed to the cancellation of the first of the two warrants to purchase 606,200 Ordinary Shares in exchange for a payment from Gemstar of \$12,807,700 or \$21.13 per Ordinary Share. In January 1999, the Company exercised the remaining warrant for 606,200 Ordinary Shares, paying Gemstar \$10,002,300 or \$16.50 per Ordinary Share. In April and May of 1999, the Company sold Ordinary Shares of Gemstar in open market transactions on the New York Stock Exchange as follows:

Date of Sale	Number of Ordinary Shares Sold	Price per Ordinary Share
April 22, 1999	5,000	\$102.1250
April 23, 1999	45,000	100.6000
April 26, 1999	50,000	110.0000
April 27, 1999	25,000	120.5375
May 6, 1999	15,000	125.1000
May 12, 1999	10,000	125.0000

In April 1999, Gemstar's Board of Directors approved a two-for-one stock split in the form of a stock dividend which was paid in May 1999 to shareholders of record as of May 14, 1999.

In November 1999, Gemstar's Board of Directors approved a second two-for-one stock split in the form of a stock dividend which was paid in December 1999 to shareholders of record as of November 29, 1999.

The Company shares voting and investment power with respect to all shares reported with Thomson S.A. as the Company's majority shareholder. Thomson S.A., as the majority shareholder of the Company, may be deemed to be the beneficial owner of all of the Ordinary Shares owned by the Company.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The Company entered into the Voting Agreement on October 3, 1999.

Item 7. Material to be Filed as Exhibits.

99.1 Voting Agreement dated October 3, 1999 between TV Guide, Inc. and THOMSON multimedia S.A. (The number of Ordinary Shares beneficially owned by the Company as stated on Schedule 1 to the Voting Agreement does not reflect the sale of 150,000 Ordinary Shares by the Company in April and May of 1999 or the two-for-one stock split paid in December 1999.)

99.2 Agreement relating to filing of joint statements as required by Rule 13d-1(k).

Re: Agreement of Principal Stockholder Concerning Transfer and Voting of Shares of Gemstar International Group Limited

The undersigned understands that TV Guide, Inc., A Delaware corporation ("TV Guide"), and Gemstar International Group Limited, a British Virgin Islands corporation ("Gemstar"), of which the undersigned is a stockholder, are prepared to enter into an agreement for the merger (the "Merger") of G Acquisition Subsidiary Corp., a Delaware corporation ("Sub"), into TV Guide, but that TV Guide has conditioned its willingness to proceed with such agreement (the "Merger Agreement") upon receipt from the undersigned of assurances satisfactory to TV Guide of the undersigned's support of and commitment to the Merger. In order to evidence such commitment and to induce TV Guide to enter into the Merger Agreement, the undersigned hereby represents and warrants to TV Guide and agrees with TV Guide as follows:

1. Voting. The undersigned will vote or cause to be voted at any meeting of the stockholders of Gemstar and in any action by consent by the stockholders of Gemstar all shares of capital stock of Gemstar owned of record or beneficially owned or held in any capacity by the undersigned or under the control of the undersigned in favor of the Merger and the issuance of the Parent Common Stock in connection with the Merger and other transactions provided for in or contemplated by the Merger Agreement (including the domestication of Gemstar from the British Virgin Islands to the State of Delaware), and against any inconsistent proposals or transactions.

2. Ownership. As of the date hereof, Schedule 1 hereto sets forth the shares of Parent Common Stock owned by the undersigned of record or beneficially, including shares issuable upon the exercise or conversion of options or convertible securities of Gemstar (collectively, the "Shares").

3. No Ownership Interest. Except as set forth in Section 1, nothing contained in this Voting Agreement shall be deemed to vest in anyone other than the undersigned any direct or indirect ownership or incidents of ownership of or with respect to any Shares. All rights, ownership and economic benefits of and relating to the Shares shall remain and belong to the undersigned, and no one shall have any authority to manage, direct, restrict, regulate, govern, or administer any of the policies or operations of Gemstar or exercise any power or authority to direct the voting of any of the Shares as a result of this Voting Agreement, except to the extent otherwise expressly provided herein.

Page 18 of 22

<PAGE>

4. Restrictions on Transfer. During the period from the date of the Merger Agreement and continuing until the earlier of (i) September 30, 2000; (ii) the termination of the Merger Agreement pursuant to its terms; or (iii) the Effective Time (as defined in the Merger Agreement), the undersigned will not sell, transfer, pledge or otherwise dispose of any of the Shares or any interest therein or agree to sell, transfer, pledge or otherwise dispose of any of the Shares or any interest therein, without your express written consent, unless the transferee of the Shares agrees in writing to be bound by the terms of this Voting Agreement; provided, however, that (x) the undersigned may, without your consent, sell up to 15% of the Shares owned, in the aggregate, by the undersigned, and (y) the undersigned may pledge the Shares to secure bona fide indebtedness or bona fide monetization transactions or to secure the obligations of a person in connection with derivative transactions and settlement

obligations thereunder (including, without limitation, puts, calls, collars, swaps, etc.) with respect to the Shares of Common Stock, provided that the terms of such derivative transaction permit cash settlement of a party's obligations thereunder and do not restrict our obligations to vote their pledged Shares in accordance with Section 1 hereof. The provisions of Section 5 of this Agreement shall not apply to Shares disposed of under clause (x) of the preceding sentence of this Section 4.

5. Grant of Irrevocable Proxy; Appointment of Proxy.

(a) The undersigned hereby irrevocably grants to, and appoints, Peter Boylan and Joe Kiener, in their respective capacities as officers of the TV Guide, any individual who hereafter shall succeed to any such office of TV Guide, and each of them individually, the undersigned's proxy and attorney-in-fact (with full power of substitution), for and in the undersigned's name, place and stead, to vote the Shares, or grant a consent or approval in respect of such Shares, in accordance with our covenants in Section 1 hereof.

(b) The undersigned represents that any proxies heretofore given in respect of the Shares are not irrevocable, and that all such proxies are hereby revoked.

(c) The undersigned hereby affirms that the irrevocable proxy set forth in this Section 5 is given in connection with the execution of the Merger Agreement, and that such irrevocable proxy is given to secure the performance of the undersigned's duties under this Agreement. The undersigned hereby further affirms that the irrevocable proxy is coupled with an interest and may under no circumstances be revoked. The undersigned hereby ratifies and confirms all that such irrevocable proxy may lawfully do or cause to be done by virtue hereof.

6. Termination. This letter agreement and the undersigned's obligations hereunder will terminate upon the earlier to occur of (i) the Effective Time as defined in the Merger Agreement; (ii) the date on which the Merger Agreement is terminated; or (iii) September 30, 2000.

7. Effective Date; Succession; Remedies. Upon your acceptance and execution of the Agreement, this letter agreement shall mutually bind and benefit you and the undersigned, any of the undersigned's heirs, successors and assigns any of your successors. You will not assign the benefit of this letter agreement other than to a wholly owned subsidiary. The undersigned agrees that in light of the inadequacy of damages as a remedy, specific performances shall be available to you, in addition to any other remedies you may have for the violation of this letter agreement.

8. Nature of Holdings; Shares. All references herein to our holdings of the Shares shall be deemed to include Shares held or controlled by any of us, individually, jointly (as community property or otherwise), or in any capacity, and shall extend to any securities issued to any of us in respect of the Shares.

9. Defined Terms. All capitalized terms used herein shall have the meaning ascribed to such term in the Merger Agreement, unless otherwise defined herein.

10. Specific Performance. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or equity.
